Dear Pastor Ella

REPORT ON BABY MIRACLE A BABY BURNT WITH SERIOUS THIRD DEGREE BURNS

The Phumula Children's Care Village wishes to express its deepest thanks and gratitude to the Phillip Waldrup Foundation for the generous support towards 'Baby Miracle'. The lifesaving medical support that we received from the Foundation has saved the life of a innocent precious baby. Miracle Baby is truly a fighter who fought for her life. We are so thankful to God for using the Phillip Waldrup Foundation to provide Intensive Medical Treatment to 'Baby Miracle'. To God be the glory for great things He has done.

The Specialist Doctors have remarked that this is truly a 'Miracle Baby'. The Medical Specialist Report from the Hospital is that 'Baby Miracle has' fully recovered from the serious burn wounds.

The good news is that "Baby Miracle" has been registered in school where she will be commencing her official schooling next week.

It is truly a joy to partner with such a compassionate Foundation. We pray that God will continue to grow Phillip Waldrup Foundation so that orphan children will be given hope.

Thank you, Phillip Waldrup Foundation, for a sterling work.
